Recommendation Letter: John Wilson

To Whom It May Concern,

I am writing this letter of recommendation regarding John Wilson. We have had the pleasure of having John work within our office as a Vital Records Temporary Aide from December 4th, 2023 to September 3rd, 2024. During this time, he has assisted various units with multiple projects, some of which are: assisting the death unit on cleaning up the fetal and death records, helping the Statistical Program with getting caught up on data-entry tasks, data-entry of death records to allow for issuance, as well as several other tasks.

I would highly recommend John Wilson as a very qualified applicant. He is a hard-working team player and demonstrates a positive attitude in all his tasks and interactions. John takes a lot of pride in his work and is highly self-motivated.

Any organization would find John to be an invaluable asset to the team.

Sincerely,

Tami L. Rodriguez
